## Levy breakdown – PRA classes

## **Life & Pensions Provision**

| 2023/24 forecast fund balances  | November's<br>Outlook<br>forecast<br>(£m) | Latest levy<br>update<br>(£m) | Variance<br>(£m) |
|---|---|-------------------------------|------------------|
| Opening balance   | (0.3)                                     | (0.5)                         | (0.2)            |
| Compensation  | 0.0                                       | 0.0                           | 0.0              |
| Recoveries  | 0.0                                       | 0.0                           | 0.0              |
| Management expenses   | 0.0                                       | 0.0                           | 0.0              |
| Annual levy receipts  | 0.0                                       | 0.0                           | 0.0              |
| <b>Total closing surplus/(deficit)</b><br>Please note that the 'Annual levy receipts'<br>excludes provider contributions. | (0.3)                                     | (0.5)                         | (0.2)            |

| Total levies                               | 15.4 | 14.7 | (0.7) |
|--|------|------|-------|
| The 'Total levies' includes provider       |      |      |       |
| contributions to other classes.            |      |      |       |
| Please note, the 'Total levies' is not the |      |      |       |
| sum of each column. This row shows the     |      |      |       |
| November forecast in comparison to the     |      |      |       |
| latest levy update.                        |      |      |       |

We do not expect any firm failures to occur in this class during 2023/24.

The levy for this class is driven by provider contributions to the Life Distribution & Investment Intermediation (LDII) class. The levy for 2023/24 will be £15m and is broadly in line with the indicative levy published in November.
